

Support, Connect, Engage

People Belong, Families are Strong, Neighbours Care and Everyone Shares

For over 24 years, OPNC (a registered charity) has offered diverse programs and resources that support and connect our community. Last year alone, we served 3736 people.

We provide programs serving infants to seniors, poverty supports, multicultural programs, disability supports, financial literacy and everything in between. Our centre is a non-institutional, barrier-free space that welcomes everyone. It's a reflection of the needs, talents, and strengths of all our neighbours and friends.

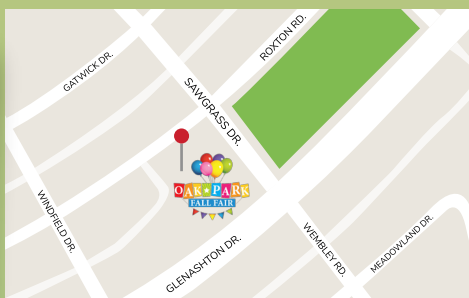

We made it through the worst of the pandemic stronger than ever, and

with the communities outpouring of support, we raised the \$244,000 needed to pay off our mortgage. This not only means a sense of stability for the centre, but also the funds that used to go towards the mortgage is now directed towards programs.

Just like every milestone at OPNC, our community steps up and makes the impossible, possible. This year we saw an increase in the need for food support. As always, we are here to build stability and community, to ensure that people belong, families are strong, neighbours care and everyone shares. If you haven't already... come join us in making a difference.
